The well-being of our guests is our top priority, and we are implementing necessary precautions to create a safe environment for all who attend. The measures we've implemented below are subject to change in response to evolving guidelines from the city, state, and federal governments and the Centers for Disease Control and Prevention.

- Attendees are encouraged to wear masks for the safety of guests and staff but are not required.
- Sanitizing stations are to be accessible throughout the street during the event.
- Caterers must follow guidelines provided to restaurants or food services at the most restrictive level and maintained by the Pickens County Health Department.

Cancelation policy: If Long Table 2022 is canceled due to the increased spread of COVID-19, we will move the event to a later date when it is safe for all in attendance to participate safely.

Weather: Should the weather not cooperate for Long Table 2022 to be held on September 10th, the event will occur the following Saturday, September 17th, on Main Street.
